Re: Hearing Application
Discorbis 15 Sand, Reservoir A, SUB
BAYOU POSTILLION FIELD, Iberia Parish, Louisiana
Applicant: Century Exploration Houston, Inc.

Dear Mr. Commissioner:

Application is hereby made on behalf of **Century Exploration Houston, Inc.**, for the calling of a public hearing, after ten days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters regarding the DISC 15 RA SUB, Bayou Postillion Field, Iberia Parish, Louisiana, for which rules and regulations were established and a drilling and production unit was created by the Office of Conservation No. 386-Y-2, effective August 9, 2005.

1. To permit applicant, Century Exploration Houston, Inc., to drill, designate and utilize the Century Exploration Houston, Inc.-Cotton Land Corporation No. 1 as an alternate unit well for the DISC 15 RA SUB, such well to be at the location shown on the plat attached hereto and made a part hereof;
2. To confirm Century Exploration Houston, Inc. as the operator of the DISC 15 RA SUB;
3. To make a specific finding that such proposed alternate unit well are necessary to effectively and efficiently drain a portion of the DISC 15 RA SUB which cannot be efficiently and economically drained by any other well within the unit;
4. To grant a single unit allowable for the DISC 15 RA SUB and to permit the operator of the unit to produce said unit allowable from the unit well, the alternate unit well, or from a combination of the wells at its option;

5. To find that, except to the extent contrary to the order granted by the Commissioner of Conservation in connection with the hearing held on this application, the provisions of Office of Conservation No. 386-Y-2 remain in full force and effect;
6. To provide that the Commissioner of Conservation should be authorized to reclassify the sand and reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of each reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation, and
7. To consider such other matters which may be pertinent to this application as shown by the evidence presented at the hearing held on this matter.

The Discorbis 15 Sand, Reservoir A, Bayou Postillion Field, Iberia Parish, Louisiana was previously defined in Office of Conservation Order No. 386-Y-2, effective August 9, 2005.

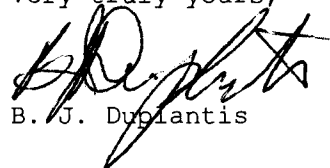

Attached hereto and made a part hereof is a plat outlining the DISC 15 RA SUB showing the location of the alternate unit well together with a list of the names and addresses of all interested owners, interested parties and represented parties who are known to the applicant after reasonable search. A reasonable effort was made to ascertain the names and addresses of all such parties.

A copy of the list of the names and addresses of the interested owners, interested parties and represented parties is not being mailed to those parties along with this hearing application. Should any of these parties desire a copy of this list, however, we will be glad to provide one upon request.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Louis Gilbert of Louis Gilbert & Associates, 3636 N. Causeway Blvd., Suite 204, Metairie, LA 70002 (504) 834-8112.

Finally, there is enclosed our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, which represents the required hearing application fee.

Very truly yours,

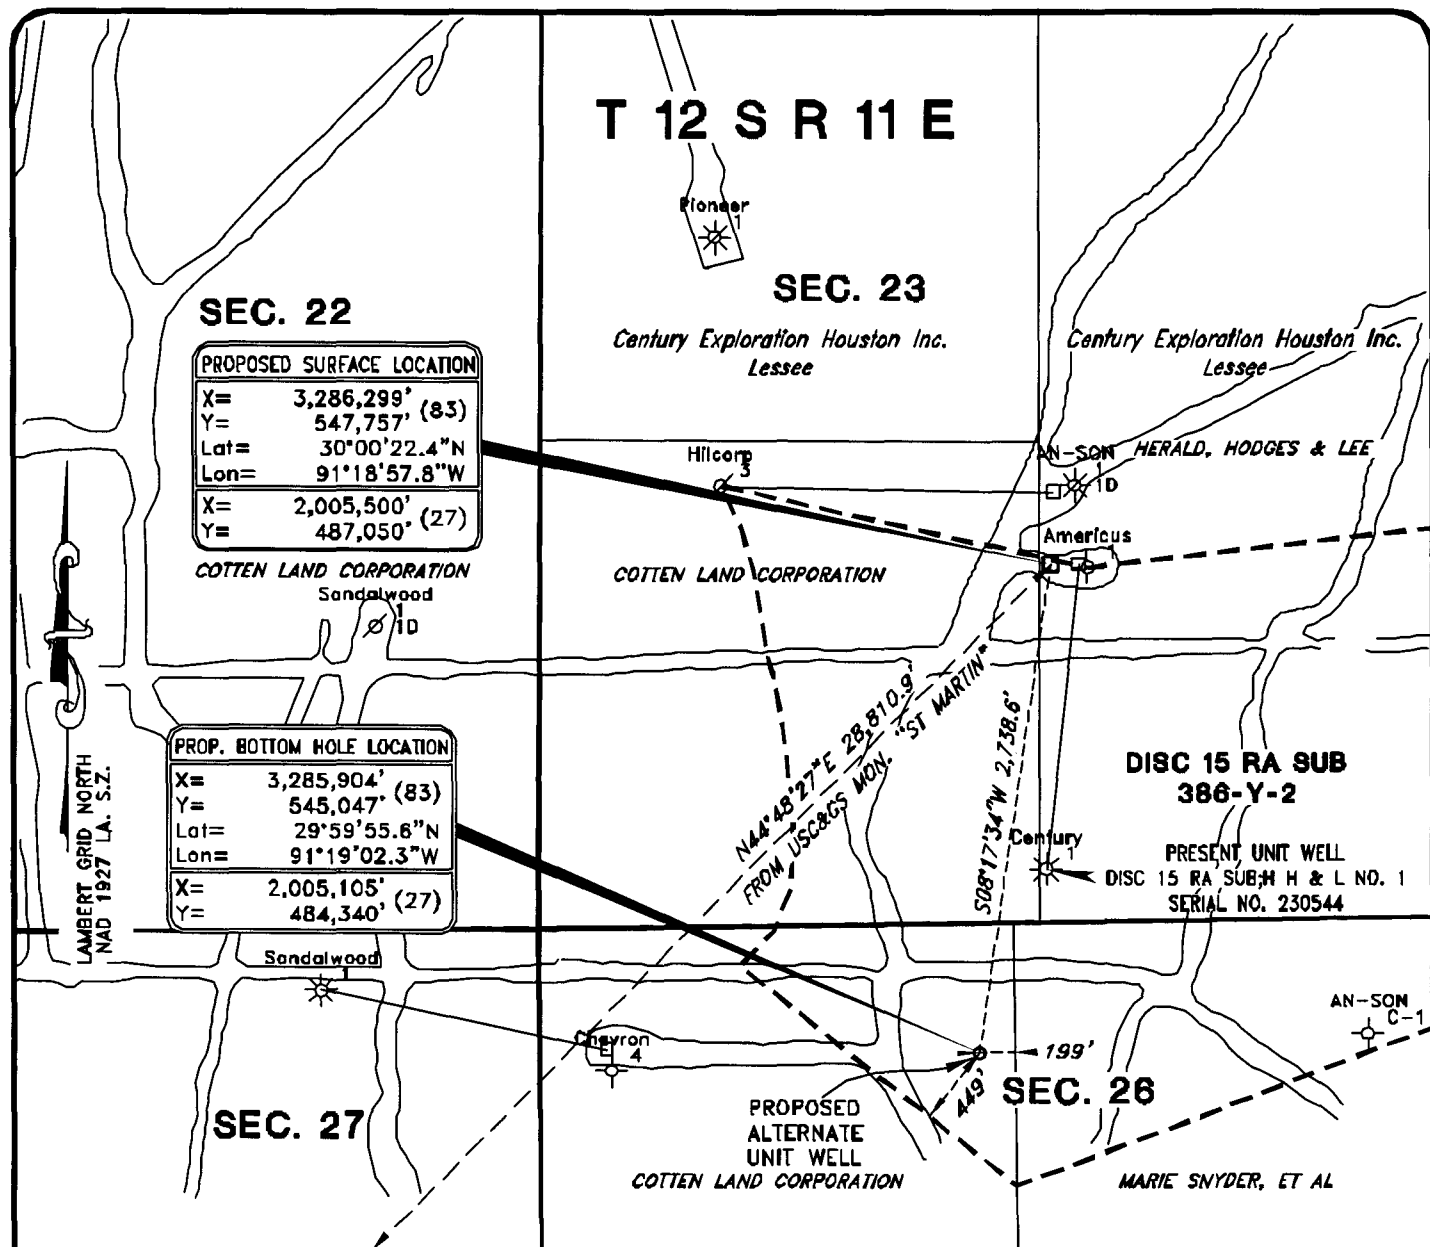

B. J. Duplantis
